

Dundalk Chamber is delighted to announce that over €34,500 euros was raised by 28 charities from the 2014 Santa Run. Each charity was responsible for its own fundraising with the Chamber acting as facilitator and organiser of the event. The Chamber also made the funds available to buy the suits initially.

The Chamber management would like to thank all who participated, including The Garda, the businesses and shops along the route, The Order of Malta and of course the people of Dundalk who came out in such numbers, yet again.

The Chamber would like to thank those members and staff who gave freely of their time for over 2 months in the build up to the event. Costs were kept to an absolute minimum, with the Chamber being the main contributor to office supplies and manpower,

The Santa Run and other events have heightened the Christmas mood and definitely gave a feel good boost right through the Festive season and beyond.

There is stock of nearly 2,700 suits plus a cash balance of 1,000 accumulated over the last two years. The Chamber will use this in funding the 2015 Run. Once again thanks to the people of Dundalk for making “ de town” proud.
