

We are delighted to announce our iconic series of **'Carlingford Lough & Lighthouse Cruises'** will be returning in August. After our successful launch last summer, we are offering businesses the opportunity to show your appreciation to staff by booking a cruise for your exclusive use or part share with other firms.

Lockdown has been a very challenging time for many businesses and staff. As restrictions have been eased, what better way to show your gratitude than spending an evening on the scenic Carlingford Lough.

These popular Lighthouse Illumination Cruises are scheduled to run every Friday and Saturday evening during five weekends in August. This two-hour cruise will showcase the beauty of Carlingford Lough and take you to within 400 meters of the historic Haulbowline Lighthouse. The stunning setting offers panoramic views of the majestic Mourne and Cooley Mountains.

The nightly illumination takes place only during August and is in remembrance of all those who have lost their lives in the Lough over the years. This year, as a special tribute to NHS, HSE and all frontline services the tower will be illuminated blue. This is in recognition for those who have risked their own safety to serve everyone across the island.

A limited number of these unique cruises are now available for corporate bookings. These will take place on 7th, 8th, 14th, 15th, 21st, 22nd, 28th and 29th August. Departure times will be around 8pm depending on whether your company boards at our Greencastle or Greenore terminal.

To comply with current social distancing guidelines, we have dropped our passenger capacity of 250 by approximately 50%. Corporate clients can book the exclusive use of the cruise for £2,100/ €2,300. Additional packages are available including multiples of 10 tickets at £190/ €200. Live music is included. Refreshments and catering options can be arranged upon request (priced separately).
